WELCOMESHALOM

A Home for the Whole Person

For close to 150 years, Congregation Neveh Shalom has been a haven for our thriving Portland Jewish community. Through the years, we have worked together to build a community of connection and encounter. This is especially important during this technological age in which alienation, isolation and polarization abound. We are here to change that and be a house for people of all backgrounds, orientations, genders and viewpoints. Our clergy, staff and fellow congregants are here for you.

Our doors are open!

WHAT CNS MEANSTOME

"37 years ago, my family and I arrived to the U.S. from the former Soviet Union. We joined synagogues in all of the cities we lived in prior to Portland. However, Neveh Shalom became a family for us as soon as we joined. The rabbi and community enveloped us with warmth and we have made many friends here." Galina Kogan, Member

PRESCHOOL

Our Foundation School embraces our youngest learners—sparking imaginations, instilling a sense of wonder, and providing the building blocks for the next generation of creative and confident problem-solvers.

YOUTH EDUCATION

Our ALIYAH Jewish Learning Program provides engaging, high-level learning for all youth in our community. K-12 students experience holidays, gain strong Hebrew skills, build a vibrant Jewish social life, and take on meaningful leadership roles in our community.

ADULT EDUCATION
