## FROM THE PULPIT

### Looking to the Future

I recently signed a four-year renewal contract as senior rabbi at Neveh Shalom. I am thankful for the confidence the congregation expressed in me. However, by contrast with previous renewals, at the conclusion of 22 years at Neveh Shalom this contract will bring me to age 66 and retirement.

Forty years ago I moved to New York in order to begin my rabbinical studies at JTS. Little could I imagine what adventures and blessings both professional and personal the future would hold. And coming to Neveh Shalom has clearly crowned that entire experience. Carol and I arrived with our three children, aged 15, 13 and 11, just weeks after our daughter's Bat Mitzvah. Our oldest, Gabriel, remained in New York to begin his career in law. Our children quickly found friends and a place for themselves. Most importantly Carol discovered Neveh Shalom wonderfully embracing. My welcome even included an interview in Willamette Week. Portland opened possibilities affording each of us opportunities to reach our potential.

Serving as Neveh Shalom's senior rabbi remains a great privilege. Even after 18 years, each day provides new challenges. I work with a terrific team of professionals, who without exception are committed to the mission of serving the Jewish people and our membership. Equally dedicated is our lay leadership who give tirelessly of their time and our innumerable volunteers who form the backbone of everything we do.

In contrast to synagogues across the country, and Conservative Movement synagogues in particular, I am proud of Neveh Shalom's vitality, our ability to attract young, energetic families, the enthusiasm that has produced our building expansion and renovation, and the generosity of our membership in making all that we do possible. Our commitment to egalitarianism remains a Neveh Shalom hallmark, as is our determination to model environmentalism, to expand our involvement in Tikkun Olam and to experiment with varieties of religious services. We have taken many families with us to Israel and provided scholarships to scores of teens. We prioritize our teaching and welcome to Jews-by-Choice as well as extending our arms to intermarrieds, singles and gays. We can rightfully take pride that we have included and maintained the memberships of all those who experience economic hardships.

I would be less than candid not to admit that the prospect of retirement carries with it considerable anxiety. How does one plan for this kind of life change four years hence? Becoming a rabbi is a lifelong commitment. The love of teaching Torah, involvement in the personal lives of the many with whom we have been privileged to share celebrations and sorrows, the responsibility in representing Judaism to our non-Jewish neighbors, and active involvement in all aspects of this vibrant community never diminishes.

In the coming years we will continue to grow and inspire Jews, to expose young and old to the wisdom and history of our tradition and to struggle together to help create an ever more compassionate society and world. Together we will welcome newborns into the world, celebrate with our B'nai Mitzvah teens, serenade newly weds, visit the sick and commiserate with those who experience loss. We will wrestle with how to acknowledge God in our lives, ways to find holiness and experience blessing in creating community together.

## FROM THE PRESIDENT

Ready, set, go! Over the past five years, our Congregation has gone through a period of introspection while preparing itself for a new era of leadership, growth and success within the Jewish Community. We've improved our facilities, made personnel changes, restructured staff, aligned our clergy's goals with the congregation's, maintained a strong financial position and established a new Long Range Plan that sets our priorities and points us in the right direction for future success. We are ready and set. And now it's Go Time! We have spent a great deal of time finding out who we are and what we believe as a Congregation. We have taken that input, taken action and I believe we are now positioned to excel. Certainly there are many of areas where we need to improve. But the point is we can improve. There is no longer an excuse for not being the very best at what we do. Hopefully, you have noticed some of the changes and improved performance. Much of our success has come and will continue to depend upon the underappreciated work of volunteers. Thank you. The amount of the workload that falls to our volunteers is tremendous. Some of their work is the most important and visible we do, creating connections with our members, and providing opportunities to be involved. One change I know you have noticed is the improved Annual Giving Campaign, now in its third year. When we started this campaign as a replacement for our previous uncoordinated attempts to raise funds, we were not sure if the approach would work. But it has, and in a big way. Our focus was to increase the percentage of the congregation participating in the fundraising while meeting our financial goals. We have succeeded on both counts. If you have not yet participated in Neveh Shalom's Annual Giving Campaign, please consider doing so now. We need everyone to participate on some level if possible.

I hope the you and your family are having a great summer.

**Doug Lenhoff**

Dear Friends,

I'm writing this article on the plane ride home from the 64th Annual Cantors Assembly convention in Toronto. This year's theme was entitled, "*Shehecheyanu*—The Chazzan Today: Keeping the Music Alive—for tomorrow..." It's been a tremendous week on so many levels. I typically only have an opportunity to see my friends and colleagues during this time once a year, where we learn together, make music together and share the

experiences of our unique profession with each other. We welcomed the newly installed cantors among us and honored the incredible lives and careers of those going into retirement.

This year in particular, I was very active in the convention sessions and concerts. My colleague, Cantor Randy Herman wrote an original *Shehecheyanu* which we performed together to open one of the award presentation and lecture sessions. I was one of three female soloists to perform with the renowned Shinonome Choir of Japan, highlighting the music of composer Ben Steinberg, and also popular Israeli folk songs. In addition, I was featured in the Debbie Friedman, z"l, tribute session, and also a Gospel Shabbat music session written and arranged by my colleague, Cantor Mike Stein in California. I hope to be able to bring some of his ideas to our new PDX LIVE service here at Neveh Shalom. I was so pleased by the

wonderful attendance at PDX LIVE and also touched by the incredible feedback we've received about the service. More to come!

Furthermore, I've been elected to a three-year term serving on the Executive Council of the Cantors Assembly; only 6-8 members of the entire organization are chosen each year to do so. I am honored to be considered a leader among my colleagues, and also to have the opportunity to represent Neveh Shalom and Conservative congregations throughout the Pacific Northwest region. I will be attending a number of meetings each year in New York City and will also be responsible for fundraising and providing support to my colleagues in the field.

As I type away, my thoughts also drift over this past year. I can't believe it's been almost a full year since I began my work at Neveh Shalom. In some ways, it feels like I arrived yesterday, in other ways, it feels as though Harold and I have been in Portland for a very long time. It's been an extraordinary year, and I know that we're all still at the beginning of our journey together. As Harold always remarks, I thrive when I'm busy, and through my work at Neveh Shalom, with the Cantors Assembly and planning a wedding—I'll have plenty to do in the days ahead. Thank you for a great year--*Shehecheyanu* indeed! May we all continue to be sustained in health and happiness.

B'shalom,  
Cantor Bletstein

## TISHA B'AV SERVICES

### Erev Tisha B'Av

Monday, August 8, 8:15pm,  
Stampfer Chapel

### Tisha b'Av Morning Service

Tuesday, July 20, 7:00am,  
Zidell Chapel

Tisha B'Av, the Fast of the Ninth of Av, is a day of mourning to commemorate the many tragedies that have befallen the Jewish people, primarily the destruction of the first and second Temples, both of which were destroyed on the ninth of Av (the first by the Babylonians in 586 B.C.E.; the second by the Romans in 70 C.E.).

Tisha B'Av is the culmination of a three week period of increasing mourning, beginning with the fast of the 17th of Tammuz (July 20, 2011), which commemorates the first breach in the walls of Jerusalem, before the First Temple was destroyed. During this three week period, weddings and other parties are not permitted, and people refrain from cutting their hair. From the first to the ninth of Av, it is customary to refrain from eating meat or drinking wine (except on the Shabbat) and from wearing new clothing.

The restrictions on Tisha B'Av are similar to those on Yom Kippur: to refrain from eating and drinking (even water); washing, bathing, shaving or wearing cosmetics; wearing leather shoes; engaging in sexual relations; and studying Torah. People who are ill need not fast on this day.

In synagogue, the book of Lamentations (Eicha) is read and mourning prayers are recited.

Since it's inception last November, the Mizrach community has gathered together on the eastside to enjoy Shabbat dinners; to celebrate Havdallah and dessert with **Rabbi Greenstein**; to assemble and deliver mishloach manot to every Neveh Shalom family living east of the Willamette; to find a spot large enough for all of the folks who joined us for first Seder; to sing zmirot around a Shabbat table; and to hike Mt. Tabor on a Shabbat afternoon. In the process we've discovered that the eastside Jewish community—Neveh Shalom members and beyond—is more active and vibrant than we'd ever imagined! ## SHOMREI TEVA MONTHLY MITZVAH CREW

3RD SUNDAYS AT 9:45 AM

JULY 17, AUGUST 21

Join Shomrei Teva as we gather for our monthly maintenance at the Creekside Restoration site. Consider making it a double mitzvah by going first to Morning Minyan. Bring a small digging/weeding tool (trowel, small shovel, small mattock, etc.), and dress for the weather. Wear shoes or boots with good traction. Bring your sense of humor; we like to schmooze and have a good time while weeding out the noxious invasives.

Sometimes we have refreshments and possibly things to plant. We finish at noon but work as long or little as you want. Meet in the wooded area off our lower parking lot. Questions: Jordan Epstein, 503.245.6580, [yaakovm@comcast.net](mailto:yaakovm@comcast.net)

# TIKKUN OLAM

## NOTES FROM SHOMREI TEVA

### Connecting with Nature through Prayer

Summer is when many of us head outdoors to enjoy the beauty and delights of nature. As Jews, can Torah and Talmud help us to protect and love our threatened planet? Perhaps --- through prayer.

Although there are many Jewish prayers about nature, just saying a prayer is not enough. Let the words sink in, feel the holiness of the moment, and let go of distractions clouding your mind. With the right kavannah prayer can be a portal to deeper appreciation, respect, and even love for nature.

When seeing wonders of nature (e.g. lightening, shooting stars, vast deserts, high mountains, or a sunrise), we say *Baruch atah adonai eloheinu melech ha'olam, oh-seh ma'a-*

*seih v'reisheet*. Praised be You Adonai, our God, Sovereign of the universe, source of creation. When seeing trees or creatures of striking beauty: *Baruch atah...sheh-kakhah lo b'olamo*. Praised be You ..., who has such beauty in Your world.

On seeing the ocean, we say *Baruch atah ..., sheh-asah et-ha-yam ha-gadol*. Praised be You ...who has made the great sea. Finally, upon hearing thunder or upon seeing a storm, we say "*Baruch atah...sheh-ko-cho u-g'vurato malei olam*." Praised be You...whose power and might fill the whole world.

Consider using these prayers as you experience nature this coming summer. Another resource is the wonderful book *A Wild Faith, Jewish Ways into Wilderness, Wilderness Ways into Judaism*, by Rabbi Mike Comins. It's in the Neveh Shalom library.

**Jordan Epstein**, Chair, Shomrei Teva

## TIKKUN OLAM EVENTS

### Mitzvah Day is a Mitzvah!

#### Mitzvah Day

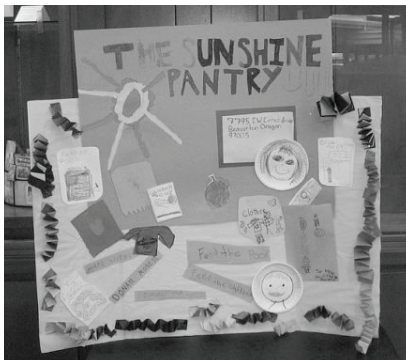

Our May 15 Mitzvah Day was a great success! Some of the many community-building activities were donating blood, knitting for Legacy Emanuel's neo-natal unit, building with Habitat for Humanity, restoring a creek side environment, making and serving peanut butter and jelly sandwiches for Potluck in the Park, and assembling hygiene kits for Transition Projects serving the homeless.

Parents and children from the Sunday School program presented each class's tzedakah project, raising \$2000 raising for a variety of charities including Heifer Project International, Community Transitional School, Smile Train, Sunshine Pantry, Autism, Service Dogs of America, Oregon Food Bank, and Neveh Michael.

The morning started with a service featuring a mighty shofar blast, compliments of **Alan Montrose**, which preceded an assembly for

all participants, and concluded with another even louder call of the shofar, summoning congregants to do a variety of mitzvahs at sites across the community and at stations set up throughout the building.

Co-chaired by **Deb Freedberg** and **Steve Sirkin**, Tikkun Olam Committee Chairs, Mitzvah Day was resurrected after nearly a decade hiatus. Steve Sirkin kvelled: "It was a joy to see the outpouring of enthusiasm and effort on the part of so many of our friends in the Neveh family. They truly demonstrated a commitment to tikkun olam, "healing the world," and performed many wonderful mitzvahs in the process!"

#### PERTINENT MITZVAH DAY STATISTICS:

- 500 Sandwiches for Potluck in the Park. (Bread donation from Dave's Killer Bread!)
- \$2,000 in donations from the classes.

- Knitting 6 completed blankets for Legacy Emanuel's pre-natal unit, plus a few hats and sweaters and deciding to meet quarterly to continue their efforts.
- 297 hygiene kits for Transition Projects.
- 302 books for children for the Children's Book Bank.
- 27 pints of blood for the American Red Cross.
- 164 pounds of food collected for Neighborhood House.

**Thank you for  
your generosity!**

## 297 Hygiene Kits

Thanks to 14 wonderful volunteers and the generosity of many Congregation Neveh Shalom members, we were able to put together and deliver 297 Hygiene Kits on Mitzvah Day.

**WE WILL START COLLECTING HYGIENE KIT ITEMS AGAIN AUGUST-OCTOBER.**

Because Portland is 3,000 shelter beds short each night, there is a 10-week wait to get into a shelter. While waiting for a shelter bed, the homeless can take showers at the Transition Projects 4th and Glisan facility.

**SAVE THOSE UNOPENED HOTEL SHAMPOOS, CONDITIONERS, LOTIONS, AND SOAPS!**

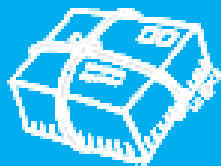

Pick up some deodorants on sale. (I've been told WalMart has them in the travel section for 78 cents each.) Ask your dentist for a case of toothpaste for the homeless. Get 4-6 toothbrushes at the Dollar stores for \$1 or bulk packs of razors on sale. If you find tampons at a good price, think of the homeless!

Good job all of you in repairing a small part of our little corner of the world. -- Cathy Blair

## COLLEGE OUTREACH

### ATTENTION PARENTS:

If you have a student who will be attending college (or military) this fall and would like them to be included in the College Outreach mailings, please contact the synagogue office for a form to complete.\* Remember, we depend on your generosity to help make these care packages possible. Your donation helps purchase the goodies and cover postage. Make checks payable to CNS, and write "College Outreach" on the memo line. Thank you for your support!

Volunteers are the backbone of Sisterhood. As Lois Silverman wrote: "Giving of your time is more valuable than money." To that end, a big **TODAH RABAH** (thank you) to **Cathy Blair, Yael Webber** and

their team of Sisterhood volunteers who put together 297 hygiene kits on Mitzvah Day, for Transition Projects to allow homeless people to get showers and clean up. This helps maintain some dignity for those who are without homes. Ladies, you made it all happen, and keep saving those travel size

## WOMEN'S LEAGUE/SISTERHOOD

soaps, shampoos, and deodorants for next time.

June 5th saw our Back to Basics BBQ. Thanks to **Tina Smith, Cathy Blair** and **Jackie Lesch** for organizing the event and the food. A big thank you to **Cantor Bletstein** for her words of wisdom in answering our questions about what we do during services and why we do it. This just goes to show that learning with Sisterhood can be fun.

Our new regional President, Ann Nicolson, talked about why she was a member of Sisterhood. Among her top five reasons was that no matter where we go, or where our children go, we can always find a friend and stay connected to Sisterhood and support the continuity of our Jewish community. So join us, and you will always have a friend in Sisterhood.

## MEN'S CLUB

Some of Men's Club's many objectives are to create opportunities for members to meet new people, learn about contemporary Jewish life and history, and participate with other groups within the congregation and the larger Portland Jewish community. We accomplished these objectives this year by bringing you these programs and activities:

- We enrich our community Sukkot celebration by assembling the congregational Sukkah annually.
- We learned how to trace our Jewish ancestry with the help of Toby Blake from the Jewish Genealogical Society.
- We learned about the political challenges facing Israel from David Pactor, director of AIPAC of Washington and Oregon, and how AIPAC educates Congress about these issues.
- We teamed up with the Membership Committee to plan the All-Member Pancake Breakfast and provided our best chef-members to make their locally renowned CNS pancakes.

• We participated in a guided tour of the Holocaust Memorial in Washington Park to commemorate the Shoah.

• We raised money through our annual Texas Hold'em Poker Tournament, supporting Neveh Shalom's Capital Campaign.

Learn more about Men's Club and our many other activities by browsing Neveh Shalom's online photo gallery.

I want to personally thank all of this year's volunteers who made Men's Club a vibrant and integral part of our congregational life; **Peter Bedrick, Joe Goodman, Sam Gottlieb, David Honigstock, Gary Laroff, Harold Lesch, Bruce Stern, David Wallach, Peter Wigmore, Leon Tiger, Bob Weiner, Jonathan Levy** and **Rick Vagy**.

I welcome you to join our Men's Club community. Contact **David Honigstock** at [zimchuck@frontier.com](mailto:zimchuck@frontier.com) or **David Wallack** at [matzoh1234@gmail.com](mailto:matzoh1234@gmail.com). I look forward to seeing you in the fall.

## MOTHER'S CIRCLE

**Mothers Circle Starts Fourth Year of Successful Course this Fall!**

"Fantastic! This is the class that I've been seeking for the past 5 years of marriage to my Jewish husband."

"Life changing! By far the single-most influential factor on our family's Jewish life."

"Amazing. I feel so comfortable in Jewish social situations, settings, and discussions now. I know dozens of community members and resources I would feel comfortable taking advantage of. Best of all, I've made friends within my Mothers Circle cohort."

These quotes come from former students of The Mothers Circle, a program which provides free education and support for women from other religious backgrounds or women who

are new to Judaism as adults who are raising Jewish children.

The 16 session Mothers Circle course is taught by Neveh Shalom member, **Lois Shenker**, and meets approximately twice a month, from October through May. Classes focus on Jewish rituals, ethics, the how-to's of creating a Jewish home and raising Jewish children. They meet at the MJCC on Sunday mornings and include free childcare. In addition to the curriculum, participants find a warm and nurturing environment and through the course feel empowered to take on the responsibility of raising Jewish children with greater comfort and ease.

Information sessions will be held Sunday, September 18 and Thursday, September 22 to better acquaint prospects with the program.

To sign up for an information session, register for the course, or learn more about this program, please contact **Jennifer Greenberg** at 503.246.8831, [jgreenberg@nevehshalom.org](mailto:jgreenberg@nevehshalom.org) or visit our website, [www.TheMothersCircle.org](http://www.TheMothersCircle.org).

# YOUTH AT NEVEH SHALOM

## FAREWELL FROM JONATHAN EMANUEL

Shalom Neveh Family,

This is my last article as Youth Activities Director. It has been an amazing experience for me to be part of this family. It has kept and sustained myself, Cara and Judah over our years in Portland with all the love, support, laughter and tears that a family can bring.

I have been through so many different life cycle events, from B'nai Mitzvot (more than I can count!), to funerals to "mock" weddings, to the bris and Pidyan Ha Ben of my own son Judah. Each has brought me closer to this community and to my own family. I now feel as if I am far more prepared to raise my own family and be a Jewish adult. In my own upbringing I never had such an intimate relationship with my synagogue and the members in it. I believe it is this connection and nurturing that has brought me to the point that I can serve as an Education Director in my new job in Marin County, California.

The list of these Neveh "experiences" I speak of are long, but there are a few highlights to recall as Youth Director: Making movies with the "Jew Crew" at Camp

Chalutzim, Wednesday Night School class discussions, Kadima at Sky High, visiting Schechter and BB Camp in the summer, USY overnights, Jr. Kadima cooking peanut butter hamentaschen, Mitzvah Camp food cart adventures, and traveling to New Orleans with representatives of Neveh and the Portland Jewish community. Of course, Portland Rishonim USY hosting Regional Convention, having the highest attendance and winning 6 awards is perhaps the biggest highlight, and a great way to end my term as Youth Director.

More than any other aspect, Jewish "experiences" have proven to be the most important factor in maintaining Jewish continuity and identity. Studies show summer camp and Israel trips have such a strong impact. The synagogue is part of this as it helps to provide the tools and vocabulary necessary to fully engage in Jewish life. Going to services, having a Bar or Bat Mitzvah and studying Torah are part of this process and are even stronger when experienced with a community of peers. This is why youth groups such as USY, Kadima and Jr. Kadima are so important, because

then we SHARE these memories with our closest friends, just as we did thousands of years ago at Mt Sinai. These memories are perhaps the most important part of being a Jew, as they make us who we are, and who we strive to be. Judaism, like life, is not just learned, it's experienced.

Thank you all for being such an important part of my Jewish experience.

Please stay in touch,

**Jonathan Emanuel**

## NSY

On May 20th, Pinwheel USY held Regional Convention 2010-11 here in beautiful Portland, Oregon! Our chapter, Portland Rishonim, represented with the second largest number of members to attend and we showed everyone our Rishonim Ruach! Over the weekend we participated in multiple programs and *sichot* about Jewish Comedy and its history. Saturday night we all went to Inflatable Kingdom where we socialized, bounced and ate food all night long! This convention was a day longer than usual because on Sunday, Pinwheel held its Regional Executive Board Elections. There were many close races this year for each position on board. I am honored and thrilled to have been elected as the 2011-2012 Membership Kadima Vice President! Regional Convention was a huge success for Portland Rishonim as we took home four awards at the Banquet

and Prom Sunday night, including "Best Chapter Website", "Best Ruach Program Award", and "Chapter of Excellence Award". Overall the entire convention was an incredible success for Rishonim and we cannot wait for another year to begin with this amazing chapter!!

Have a fantastic summer!

## KADIMA

Dear Kadimanick and Parents,

As the school year has come to an end, it is time for you to enjoy your summer and (hopefully) Oregon's beautiful weather.

We have had a fun year filled with many activities. We bounced around at Sky High, had some camp time at Kadima Kinnus, cheered on our Winterhawks, knocked down some pins with Dor Chadash, made some crazy hamantaschen, were mensches at the Sunshine Pantry, and had some fun with Bugs Bunny and Bagels.

Have an amazing summer and we will see you all next fall!

Ellen Swire  
Kadima Advisor

## JUNIOR KADIMA

What a great year for Junior Kadima! We have had tons of fun, made new friends and participated in amazing activities. Some highlights include:

- Making crazy hamentaschen at our Purim party
- Tu B'Shevat chocolate fest
- Bumper boats at Bullwinkles
- And, of course, who can forget Sky High!

Next year promises to be even better. We look forward to seeing you in the fall!

# SCHOOL AT NEVEH SHALOM

## ALIYAH JEWISH LEARNING PROGRAM FOR K-12

I'm excited to announce a new name for our K-12 programming: **Neveh Shalom's ALIYAH Jewish Learning Program.** ALIYAH means "going up," but it has ethical and spiritual weight to it, as in aliyah to

Torah when we go up for a blessing or aliyah to Israel when we move to Israel or visit Jerusalem. Together, we are helping raise great Jewish kids as they move from one step to the next on their Jewish journeys.

Registration materials for ALL of our ALIYAH Jewish learning programs are available on our website and in our office. Early Bird Discount applies (even if you are not paying in full) when you register by June 30.

Thanks to the careful consideration of our Youth Education committee, **we will be incorporat-**

**ing more Shabbat experiences for our K-6 children next year** and "raising the bar" on content and fun in our Sunday (Yom Rishon) and Weekday (Shavua) programs.

**Parents of 7th-12th graders:** We are updating the Tichon (high school) program for next year, too! One exciting development is a new Youth Leadership program for 8th-11th graders who are, or want to be madrichim (teacher aides or counselors) in our Yom Rishon (Sunday), Shabbat, Shavua (weekday) or Shabbaton (retreat) programs for K-6th grade programs.

And finally, **the Education Office at Neveh Shalom will be moving!** As of July 1st, you will find us in Room 112 (next to what is currently Dayle's office). Please contact me with any questions or ideas you have as we move into a new era of Jewish education at Neveh Shalom!

## FOUNDATION SCHOOL

Summer is the time of year we clean and shine the classrooms and hallways of the Foundation School. Windows are being washed and new bark chips are being spread on the playground.

The art supply room is being filled with bright new paint, gallons of sticky glue,

paper of every color and fresh new markers and crayons.

Before long we will be ready to welcome new

and returning children and their families to the 2011-12 preschool year and the building will be filled again with the wonder and joy that the presence of young children brings to Congregation Neveh Shalom.

We hope that you are all enjoying the warm weather and spending many happy summer hours playing and learning together.

See you again in September!

**Jan Skolnik**

If Not Now, When? Today & Tomorrow  
אם לא עכשיו, אימת? היום ומחר

If you have been blessed with good fortune and recognize the importance of helping others, we know that you will want to join our If Not Now, When? Today and Tomorrow Annual Campaign and perform the mitzvah of tzedakah. Become a link in the perpetuation of your Congregation. As your ancestors provided for you, it is now time for you to provide for others. As Maimonides said "We are obligated to be more scrupulous in fulfilling the commandment of charity than any other positive commandment because charity is the sign of a righteous person."

We thank those that have given the past two years to make our Annual Campaign successful. If

you have not joined us, please make this the year. Every gift – large and small – makes a difference!

It is so rewarding to see joy in the faces of those that cannot fully afford what we offer – community, connections, spirituality and cultural all under one giant tent - *Ma tovu ohalekha Ya'akov, mishk'notekha Yisra'el!*

We are pleased to once again have generous donors offering matching gifts. It makes your gift go that much further. And, new this year, we are pleased to offer the ability to donate online (more information on both coming soon). So, please make your best gift today and be one of many that we recognize during the High Holidays when we complete another successful campaign!

*Hazak hazak venit-hazek* (strong, strong and let us be strengthened),

**Jason H. Kaufman**, 2011 Annual Giving Campaign Chair

## MEMBERSHIP COMMITTEE

*"See you in September. See you, when the summer's through." \**

The summer we thought would never get here is just around

the corner...hopefully. Long-time Portlanders know that we really can't count on it being summer until early July!

What else happens at the beginning of July? Neveh Shalom begins its fiscal and membership year 2011-2012. Just as with traditional calendar New Year or Rosh Hashanah, this is a time to both look back and look ahead. Your Membership Committee hopes that you had the chance to attend some of our main events over the past year such as the Pancake Breakfast in February or the Chanukah party in December. Last month, the committee held its annual retreat and planning meeting where we discussed the programs and events for the

upcoming year, all in keeping with our mission to "Seek. Engage. Retain." Our most valuable resource, you, the member. You'll hear more about these events throughout the year.

But first, I want everybody to "save the date" of September 11 for one of our most-attended signature events, "Back to Shul." This is a fun time where we get together just before the holidays. We'll have food, of course, plus a variety of activities for guests of all ages.

Make plans now to be there. Meet fellow members that you don't know and haven't met yet. Connect and catch-up with old friends. This year we will be making this a community event. So if you meet somebody who is not a member, make them feel welcome.

For more information about Back to Shul, see the flyer accompanying this issue.

## LONG-RANGE PLANNING COMMITTEE

The CNS Long-Range Planning Committee is pleased to submit the proposed 10-Year Long-Range Plan for Congregation Neveh Shalom (Congregational Draft: 6/16/11) for the congregation's review.

An electronic version of the plan is available at [http://www.nevehshalom.org/files/LRP\\_draft.pdf](http://www.nevehshalom.org/files/LRP_draft.pdf) with printed copies available for review in the synagogue office and library.

Representatives of the LRP Committee presented the highlights of the plan at the Annual Meeting on June 16. We will continue to take comments until 8/15/11 at [cnsLRP@gmail.com](mailto:cnsLRP@gmail.com). A final draft of the plan will be presented to the CNS Board of Directors for its approval in early September 2011, after being revised to reflect congregational input during the review period.

## Tzedakah is a central mitzvah of Judaism.

Use it often and in good health!

Tzedekah honors the giver and the recipient. You can make a Tzedakah contribution to honor, remember or thank someone who is important to you. It is also the custom in many communities to give Tzedakah in appreciation of an honor or aliyah during any service.

PLEASE BE SURE TO INCLUDE THE NAMES AND ADDRESSES OF BOTH THE DONOR AND THE RECIPIENT, AS WELL AS THE NAME OF THE FUND.

We gratefully acknowledge donations to the mentioned Synagogue Funds.

## When a Death Occurs

If you wish *Tahara* for your loved one--respectful preparation for burial according to ancient Jewish tradition--you may request it from Holman's Funeral Home or the funeral home of your choice. The funeral home will then notify the Chevra.

## TO HONOR THEIR MEMORY...

One of the noblest Jewish traditions is the preservation of the name of a loved one on the Memorial Board in the Synagogue Sanctuary and the lighting of a memorial light on the anniversary of death. This is an eternal reminder of our dear departed one and the love and respect their memory evokes.

At Neveh Shalom, we have two beautiful Memorial Boards, which serve two functions. A large plaque is placed in the Sanctuary for the entire year of mourning and for every Yahrzeit. Another smaller plaque is permanently maintained in the Memorial Niche. The cost for this set of plaques is \$800.

In addition a Tree of Life memorial exists on the chapel walls at each of our cemeteries. Many families wish to honor their departed by adding a leaf to the Tree at the appropriate chapel. This leaf is also inscribed with the name of the loved one. A memorial leaf costs \$100.

We will be happy to assist you in answering any questions you have, in the selection of a memorial of your choice. Please phone JoAnn Bezodis at the Synagogue office, 503-293-7309.
