

# Be a Bridge

**Our tradition invites us to be a “light unto the nations.”** This year, our community will be embarking on a journey, forming a connection and understanding with people and places outside of our normal routine or comfort zone. For each activity you complete, mark the box. No need to go in order. Your goal is to fill in all the boxes by next year. Can you do it? Can you expand beyond the game board and discover your own ways to become a bridge and share the light?

**Bonus:** As you complete the board, send in an essay to [kwilkins@nevehshalom.org](mailto:kwilkins@nevehshalom.org) about your experiences doing it. **Eighteen people will be chosen from those essays for a complimentary celebration at the Kosak home.**
