

Dear Congregation Neveh Shalom Supporter,

On February 9, 2019, Congregation Neveh Shalom (CNS) will hold its annual fundraising event, a themed gala and auction. With over 800 households, CNS is the largest Jewish synagogue in Portland. As such, it provides vital services and programs to thousands of individuals in the Portland community.

Our goal is to celebrate CNS by raising a record amount with this essential fundraising event. Funds generated will help Neveh Shalom continue to offer its full range of spiritual, educational and social outreach initiatives. Embedded in our mission is the Jewish value of *Tikkun Olam*, "Repairing the World." In this spirit, we collaborate with many local charitable organizations such as the Oregon Food Bank, Habitat for Humanity, American Red Cross, Neighborhood House, Outside In, the Refugee Care Collective, and many more.

Will you consider sponsoring our auction to help us meet our event objectives and support Neveh Shalom's mission?

This year marks our 150th year as the cornerstone for our Jewish community and the greater Portland community. With every new year, we thrive and expand with myriad opportunities for engagement, spiritual growth, and giving back to the community. Your sponsorship will help ensure that we are here to be of service for an additional 150 years!

Donations are tax-deductible. Our auction attendees support local businesses, so please be sure to include promotional materials that we can use to promote your business. Please do not hesitate to call or email if you have any questions, or would like more information.

Thank you in advance for your support! Your sponsorship and will help us build a stronger community.
