Presents

Virtual  
Spring Fundraiser 2021  
Sunday, April 11, 5:00pm

Dear Patron,

On April 11, 2021, Congregation Neveh Shalom (CNS) will hold its annual Spring fundraising event, a Broadway-themed performance by the inimitable musical star Shoshana Bean. You may recognize Ms. Bean from her memorable performances as Elphaba in *Wicked* at the Gershwin Theater on Broadway or as Cecee Bloom in *Beaches* at Chicago's Drury Lane Theater. Ms. Bean is a Portland native and a Neveh Shalom ALIYAH alumna. We are privileged to welcome Ms. Bean back to CNS for an extraordinary virtual evening of musical delights guaranteed to enchant you.

We cannot wait to **Bring the House Down** in 2021 as this year's proceeds go directly to our Foundation School, ALIYAH/Tichon and Adult Education programs supporting learning for all ages. "Who is the one with a passion for life, loving every day and seeing the good?" (Psalms 34) You are!

Come join the robust line of Spring fundraiser patrons. Join at the **If I Were a Rich Man**, **Hey, Big Spender** or **One Singular Sensation** level and delight in the benefits. Join at most any level to receive delicious treats to enjoy during the event. It will be, if I may say, **Something Wonderful**.

A portion of your contribution is tax-deductible. Don't see a level that's right for you? Please call or email me directly to tailor a custom patronage.

Sincerely,

Dena Marshall
