ANNUAL GIVING 5783

TODAY

CONGREGATION NEVEH SHALOM

Your Support:

- Makes the difference for successful programming at all levels. Last year your AGP contributions reached nearly \$200,000 to support the shul's operating expenses.
- Nurture young Jewish learners. Funds raised through AGP were allocated to provide continued tuition assistance for students in Foundation School, ALIYAH, and Tichon throughout the COVID19 pandemic.
- Keeps strong our connections through challenging times with online and in-person prayer, programming, and Jewish learning guided by our visionary and dedicated clergy.

"Basic membership commitments" provide less than 50% of our costs – philanthropic support is critical and relied upon. Every gift matters – thank you for your contribution. Todah rabah!
